

Beta Alpha Psi, Gamma Rho Chapter General Assembly Meetings Additional Information

Parking

Beginning at 5:30pm, members of our Social Committee will have members posted at both entrances of Schneider Hall with parking passes, who will also be happy to escort you to the room. We advise you to pull up to either entrance to retrieve your parking pass before you park. Parking passes are good in any lot marked "R", one of which is on the west side of Schneider Hall. Click <http://wmich.edu/maps/> for an interactive map of campus.

Location

The event will be held in Room 1360 in the Haworth College of Business. Please refer to the link above for an interactive map of campus.

The Event

Our meeting will begin with dinner and committee meetings from 6:00pm-7:00pm. We would greatly appreciate having representatives from your organization sit in on these meetings to learn more about what we are working on within our organization and to share professional insight. Finally, we will conclude the meeting with the professional development activity led by your organization from 7:00pm-8:00pm.

Presentation

Learning about your organization is always beneficial to our students, but we ask that you also present on a topic that helps with the professional growth of our chapter participants. We ask that presenters focus on the interactive nature of their presentations – for example, using discussion groups or activities in lieu of more traditional lecture-style presentations. We appreciate your insight in choosing your own topic, or we can provide you with a topic from Beta Alpha Psi National or an idea specific to our Gamma Rho Chapter. Please specify your preference via the online registration form.

Dress Code

Please specify on the registration form whether you prefer Beta Alpha Psi students to wear business casual or business professional attire for the event.
